### Oh Lucky Jim!

**O**ne time I was staying at my boyfriend's parents' house because we were going to a wedding the next day. We'd been playing footsy under the table at dinner and we were both really horny.

His mum and dad said they were going to pick up his sister from her dance class. As soon as they were out the door I had Jim's cock out and I was taking it down my throat.

We went into his parents' bedroom. They have a mirrored wardrobe running down one wall and we wanted to watch ourselves fucking. Also it felt naughty to fuck in his parents' bed.

I lay on the bed and he clambered on top of me and stuck his cock in my face. I toyed with it and teased it with my tongue to make it hard again. His head was buried between my legs and he was giving my cunt a noisy seeing to with his tongue. I writhed in ecstasy as I came for the first time.

His cock was growing as I worked on it with my mouth.

I nibbled at his balls as he slid his cock between my tits and started fucking them.

He asked me if I wanted a good fucking. "Yes, stick it up me!" I shouted, desperate to feel his cock inside me. He grabbed hold of my hips and sunk his dick inside me to the hilt.

I gasped as he entered me and started pumping straight away. He swung me round so I was now facing the mirror and watching him drive into me from behind.

Next I got him on his back and impaled myself on his cock, facing the mirror. I watched myself riding his cock, imagining I was starring in a porno film. My jugs jiggled around as I bucked away madly, increasing my pace as I came again and showered his nuts in juice. I jumped off him and licked his balls and cock, savouring my sweet pussy juice.

"I want to fuck you up the arse!" he told me. We both love anal sex and I knew I

was going to get my arse fucked good and proper. I bent over the bed and spread my arse cheeks wide.

Jim smeared some cunt juice over my arse and fingered my tight hole to get it ready. Then he nudged his straining cock against my puckered arsehole and I backed slowly onto him.

orgasm building up and I told him to fuck me hard and deep. He was thrusting away when I came, my arse clamping around his cock.

Jim loves to cum in my mouth, so when my orgasm had receded he pulled out of my arse and told me to kneel down in front of him. I did as I was told, kneeling right

**JIM SMEARED SOME CUNT JUICE OVER MY ARSE AND FINGERED MY TIGHT HOLE**

Between us we gradually worked his cock ball-deep into my arse. Then I gently began rocking back and forth, working up a rhythm.

He matched my rhythm and started pumping me, fucking my arse hard. I looked over my shoulder and in the mirror I saw him stretching my arsehole and working up a sweat.

I could feel a tremendous

in front of the mirror before him. He was wanking himself off and I opened my mouth in readiness for his salty offering.

Sure enough he came, showering my throat, lips and mouth with cum. I turned my eyes to the mirror as he gave me my creamy facial.

# FRANKIE

We thought we'd kick off this issue with something a bit on the classy side – and what could be better than buxom blonde Frankie all dolled-up in her finest lingerie set?

"Well I hope seeing me in this get-up will get your readers nice and horny!" she grins, "because whenever I put on a pair of stockings it certainly does the trick for me. Guys think we like to dress up like this to please them, but if anything it's even more arousing for us women. Now will you excuse me while I rub one out?"

## BLACK & WHITE MOVIE!

Hats off to Private – this one does exactly what it says on the tin! Anita's most definitely cute, and demonstrates the fact by stripping off and playing with her shaven cunt until her black lover arrives to give it a lick. There's some great POV action as she slurps on his meat before he jams it home, and Anita rides him as to the manor born! Cutest of the lot is coverbabe Kira, who even offers up her back door for a length of black pipe, bouncing up and down gamely in reverse cowgirl! Special mention, though, has to go to Verona Sky, who crams two whopping cocks up her cunny at once, the filthy tart!

## Slave to love!

Don't worry the girls who feature in this release from Sinners aren't really sex slaves – we've seen a few of them freely out and about since filming finished, so they're just, you know, putting it on! Harmony Reigns is the first to put her talents to good use, wrapping her chops around Dru putting it on! Hermes's ebony pole before bringing her shaven spadger into play. The duvet cover gets changed and then it's April Paisley's turn, and she doesn't half seem to enjoy the face-sitting she does on stud Luke – his nose must have been wedged right up her jacksie! There's plenty more to cum, too, with Euro-talents Amarna, Bianca and Misha all giving as good as they get! Available from your local sex shop.

I'm not really a fan of Halloween – it's a silly American import that gives kids the excuse to go round scrounging sweets off their neighbours – but I think I'll make an exception this year and give your three witches the benefit of the doubt. Instead of some scrotty children, wouldn't it be great if Jem, Teresa and Charm knocked on the door and demanded a treat? I'd certainly have one ready for them seven inches of rock hard treat that they could get stuck into straight away! Brian, Colchester.

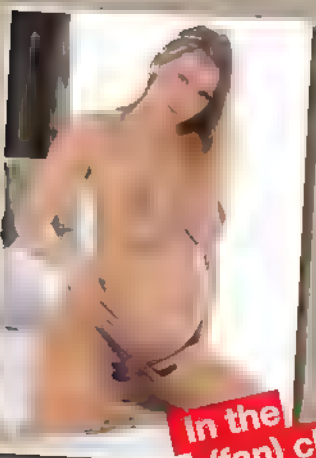

## DEAR JULIA

I don't want to sound boastful, but Stella's massive natural boobs are more or less the same as my girlfriend Gwen's pair. We love reading the mag together, and when we saw Stella she asked if I'd like a good tit-wank (always one of her favourite things to do in bed), so I lay back and enjoyed the pictures of Stella while Gwen massaged my aching prick with her lovely soft tits. Needless to say, it wasn't long before I was treating her to a helping of my thick spunk, which she gobbled down greedily! Frank, Ripon.

What a treat to see the stunning Dani Maye in all her pregnant glory in your latest issue! It really does go to show there's nothing more beautiful

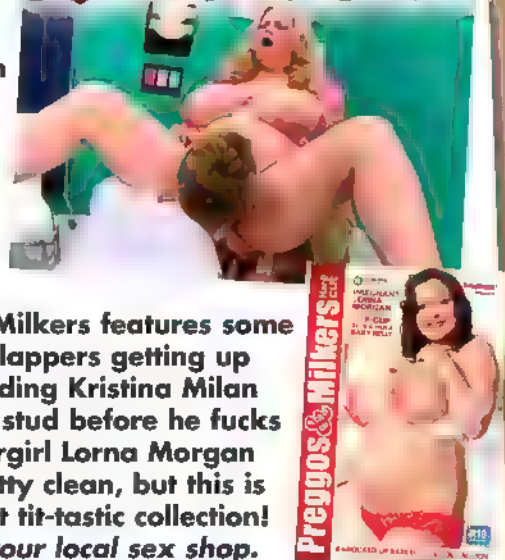

In the (fan) club!

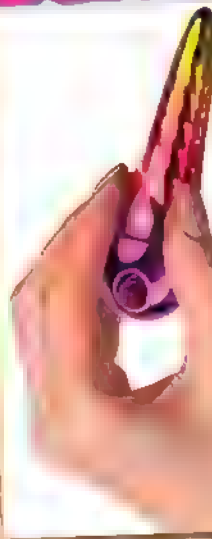

that a woman who's expecting – especially when she looks as good as Dani in the first place! I don't know how long ago the pictures were taken, but I wish Dani luck with the birth – I'm sure she's like to know that us randy readers have already 'wetted the baby's head' for her! Justin, Woking.

## The Mother Load

We're all for watching women with mammoth milkers getting pronged, but when they're actually full of milk at the time? Well why not? Preggos & Milkers features some hugely-boobed slappers getting up to mischief, including Kristina Milan who suckles her stud before he fucks her. OK, so covergirl Lorna Morgan keeps things pretty clean, but this is still a toppermost tit-tastic collection! Available from your local sex shop.

It's always nice when a sex toy comes along that not only does the job in the downstairs department by also looks like a work of art in itself, and the dazzling Unicorn's a nailed-on winner in both departments. Mia might be a mere slip of a thing at 24, but she's already decided exactly what it is she likes in the bedroom...

"Yeah, if a guy wants to fuck me, he's got to be prepared to lick my pussy and make me cum first. I love it when a guy nibbles on my clit and slips a couple of fingers inside me to my G-spot! It never takes long before I'm rewarding him with a face-full of gushing pussy juice and then, well, he can do whatever he likes!"

Sounds like a pretty reasonable arrangement to us!

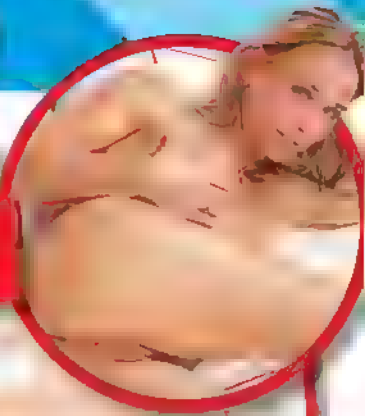

# REAL WIFE SEX

*Carrie lies dogging the limelight!*

Steve's erection pushed against my groin as he teased my boobs...

**B**oth my hubby Steve and I are swingers, and every year we take a holiday at a different British seaside resort. Well, this year when booking our B&B online we ran a search on the local swinging scene.

I am an ardent exhibitionist, which is the reason we got into swinging in the first place. We looked out a map of the area and circled all the spots used by the local doggers.

We took a day or two to get our bearings and relax, and once settled we decided to take the plunge. As dusk fell we drove the car to a deserted car park and drew up. We hadn't been there long before several other cars began to arrive, each vehicle parking a fair distance from the others.

The car park was in a rural area and fringed on three sides by shrubbery, and there were picnic tables spread about in little islands of grass, which had been planted with young trees.

It was on the side of a hill and during daylight hours we would have had

stunning views of the local scenery. But by night it was a place of shadows, and apart from the few other parked vehicles it seemed to be deserted. Steve and I sat together holding hands and waiting for the action to begin. At first all we heard was a couple of doors banging shut as some of the occupants left their vehicles. I looked at Steve enquiringly and he explained that this was

Steve put his hand on mine to slow me down, pointing out that a couple of cars had turned their interior lights on. The action had begun!

The couples were clearly visible through the windows and windscreens of the vehicles and as the show got under way we could see figures moving closer to some of the cars and peering in the windows. It was a very erotic sight and my pussy began to moisten. Steve asked if I was ready

**Rubbing his fingers up and down my dripping slit, he fingered me, pulling my pussy open so that the watchers could feast their eyes.**

probably our audience getting into position to watch the show.

I was very turned-on by now, and laid my hand on the crotch of Steve's jeans. He was aroused and already hard and I eagerly began to rub his erection through the fabric, but

and I nodded, so he switched on the car's interior lights, leaned over and pushed the seat lever which made the back of my seat drop. Then he slid his own seat right back so we'd have plenty of room to manoeuvre.

We were well prepared and had come

dressed for the event. Steve whipped off his T-shirt and pulled off his jeans. I wriggled from my shorts and yanked my T-shirt over my head. I am only a "B" cup so I don't feel uncomfortable not wearing a bra.

My tits are pert and bouncy, and while not very big are still a good handful. Once free of his clothing Steve climbed on top of me, and, cupping each boob, squeezed the breast flesh, pushing my nipples into peaks. Then, leaning down, he nuzzled my neck and then kissed his way down towards my erect nipples.

From my prone positing I noticed movement in the shadows surrounding us, and my excitement heightened as I realised that at least one person, and perhaps even more, was watching us as we had sex.

Steve carefully positioned himself so that our audience could get a good look at my tits. He nipped and sucked on my teats, making them throb with pleasure, so I spread my legs as I became more and more aroused.

Steve's erection pushed against my groin as he teased my boobs, and I arched my back, trying to push my crotch against his cock and force him to enter me. But Steve had noticed that our audience had inched closer

that the watchers could feast their eyes on my inner pinkness. Then he began to lick my pussy, simultaneously reaching around me to rub my clit. I was panting with need as he ate my pussy in the presence of strangers, pushing me over the edge until I began to come loudly.

As my orgasm peaked my pussy began to spasm and Steve withdrew his tongue and began to frig me rhythmically. His busy fingers

to the vehicle, and, intent on giving them a proper show, instead he hit the button that lowers the automatic windows.

Turning my naked body around, he positioned me on my elbows and knees, and spreading my arse-cheeks he held them apart so the audience got a front row view of my genitals. Rubbing his fingers up and down my dripping slit, he fingered me, pulling my pussy open so

sliding in and out of my pussy sent me careering from one orgasm to the next. As my love juices coated my inner thighs, Steve scooped them up and began rubbing them into my anal ring. I jumped a little at first, never having thought that Steve would attempt anal sex in public.

But I was in for a penny! Besides, I was totally charged from my multiple orgasms and began to relax and enjoy the sensation. Soon my ring was resting easy and I was loving being frigged in both openings. As I felt another series of orgasms approach, Steve mounted me from behind and began to fuck me anally. It was the most thrilling sensation ever, and when I finally glimpsed the appreciative faces of our audience, I climaxed harder than in all my life, with my Steve shooting inside me as I bucked on the seat.

It took us a while to recover, but once we had we headed back to our guesthouse and fucked all over again as we recalled the evening. ☺

## Meet The Flockers

**I**t was about two weeks ago and I was out feeding the sheep. That's right, I'm a real country girl!

I was bent over the fence when suddenly I felt two large cold hands on my hips.

Without saying a word, the person behind me slowly undid my belt so my trousers fell round my ankles. Then they lifted my top and undid my bra so my succulent breasts flopped out.

Then they ran their strong muscular hands down my legs and between my moist cunny lips.

Three fingers were roughly thrust up my wet and

extremely eager cunt and I felt hot breath on my neck and a tongue in my ear.

After about ten minutes of this exquisite foreplay he bent me further over the fence and forced his big rigid cock into my cunt.

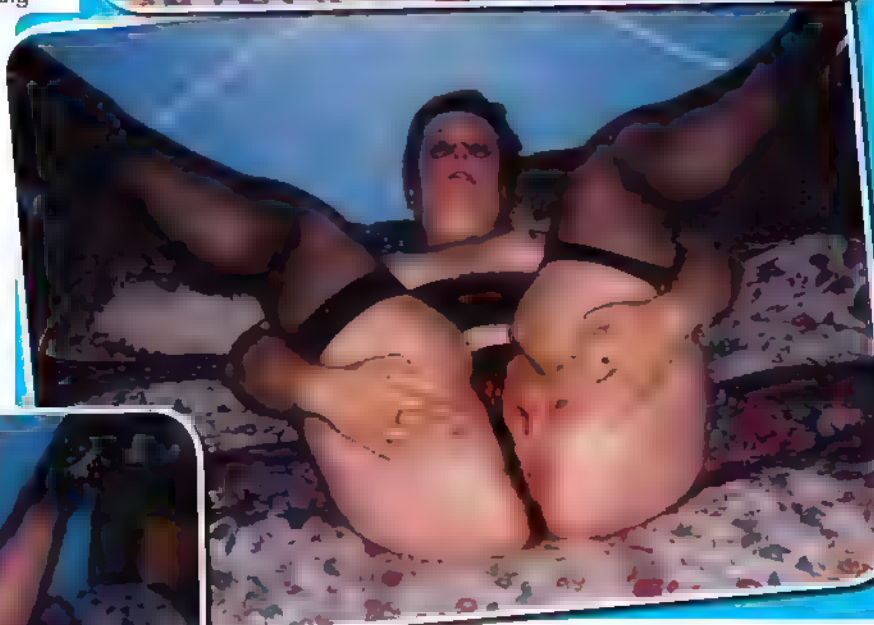

He rode me hard and fast before coming to a shuddering halt as his balls tightened and he exploded deep inside me.

My throbbing cunt ballooned with his creamy spunk.

We stayed there for a couple of minutes and when I turned

round and saw that it was my boyfriend of 3 years. Who else could it have been? I don't know, but that thrill of not definitely knowing was very sexy!

I went down on my knees with a big smile on my face.

I soon had his limp cock in my mouth, my tongue flickering over the

eye of his cock, hoping he'd rise to the occasion as soon as possible.

I looked my boyfriend in the eye as I sucked his cock. He had a big grin.

He grabbed my head and pulled my hair tight, wrapping great hanks of it round his fist.

He fucked my face good and deep and was rock hard in no time at all.

I took his cock very deep in my throat till I was almost gagging and his balls were resting on my chin.

I cupped his nuts with my hands and then slowly and delectably sucked each of his big heavy swollen balls in turn.

He knew I wanted him to cum on my chest and soon he was decorating my big boobs with hot jets of spunk which trickled down my hard red nipples.

This was one of the most intense sex sessions with my boyfriend I have ever had

Vicky, Shropshire.

It clearly doesn't take much to get Alice hot under the collar - she's only got to the inside cover of a book of Roman wall art and already she's sliding a hand inside her panties for a little fiddle!

"What, would you rather I just sat around looking at the book for an hour or so and just went home?" she asks. "I wouldn't mind, although your readers might not find it especially interesting!"

OK, that's a fair point - forget all about the wall paintings from Pompeii and carry on as you were. And just like Pompeii, we've got a feeling it won't be long before there's an eruption going off right here...

A small inset photograph in the top left corner shows two women, Ava and Alexxa, lying in a bed with a black metal headboard. They are both smiling and looking towards the camera. The bed has a colorful, patterned blanket.

Talk about kindred spirits! What are the chances that we'd be treated to the sight of two of the country's raunchiest babes sharing a bed who both happen to have a penchant for striking tattoos featuring plenty of plumage?

"The chances were always pretty good!" says Ava. "As soon as I first clapped eyes on Alexxa in Escort a few months ago I knew I wanted to hook up with her, and the best way to do that was to see if she fancied getting together for a shoot!"

"Which I most definitely did!" continues Alexxa.

"I mean how could I resist those lovely tits – not to mention those lovely tats!"

We love it when a plan cums together!

# AVA & ALEXXA

A small inset photograph in the bottom right corner shows the same two women, Ava and Alexxa, in the same bed as the top-left photo. They are in a more intimate pose, with one woman leaning over the other, and both are smiling.

There aren't many girls cuter than Chloe Toy who like to get their bits and bobs out in top shelf mags, are there? Off the top of my head I can think of... umm, none! She really does look far too innocent for all this kind of thing!

"Well don't let looks fool you!" she's quick to say. "I've probably got a dirtier mind than you and half your readers – and the good thing is that because I'm so cute I've been able to act out a lot of my fantasies already!"

**Look who we found in our massive dressing up box – although luckily enough it's not dressing up that Lottie's bothered about but quite the opposite.**

**"Well it's only natural to want to take something off when you're feeling hot and bothered now, isn't it?" she asks, and to prove the point she tugs her panties to one side so that her shaven snizz can get a bit of fresh air. Hmm, and while doing that may help her cool down a bit, it really only seems to be making things hotter in here!**

## All Four One And one Four All!

**W**hen my husband Tom was licking my fanny one night I asked him, teasingly, what it was like. He told me I should find out for myself. Nothing more was said at the time but a few weeks later I got a text from Tom asking me to dress up in one of my sex outfits as he was having a bad day and wanted something good to look at when he got home.

I knew if I did what he said I would get a good shagging, so I shaved my cunt and got dressed in my highest heels with ankle ties, black lace basque and

Brazilian knickers with stockings.

Tom came home and joined me on the sofa in his boxers. We cuddled for a while and I was rubbing his cock through his shorts when the doorbell rang. I told Tom to get rid of them, whoever it was, as what I wanted they didn't have.

He told me not to be hasty as you never know.

The next thing I knew he was

standing in front of me with two complete strangers.

He told me they were Phil and Kate and that Kate and I had something in common. We both

wanted to know what licking a pussy felt like!

Kate let her coat drop off her shoulders. All she had on was fishnets and a bra.

Tom suggested Kate and I gave the boys a lezzie show. Phil said Tom and I would

give us a good fucking afterwards if we did what they said.

I thought that sounded fair and moved over to Kate's gorgeous body.

Kate started to caress my tits then slid her hands between my legs. I knelt over with my arse in the air, giving the boys a good

view, while Kate probed my dripping cunt with her tongue.

Then I leaned forward and started sucking Kate's clit. It tasted beautiful

Phil told Tom what a gorgeous fanny I had, and Tom told him to help himself.

I gasped as this total stranger held my waist then rammed his cock into my pussy, pumping away while he rubbed my clit.

I carried on licking Kate and she came in spurts, locking her legs round my neck.

Phil withdrew his cock and sprayed all over my arse cheeks and Kate's face. She licked it off my thighs and his cock.

Tom got down behind Kate and rubbed his cock up and down her oozing cunt. Phil told him to give it to her in the arsehole and Tom obliged.

Kate let him ease his cock gently into her. She let go of Phil and concentrated on my husband giving it to her in the bum till he filled it with hot cum. Tom suggested we had some photos to remember the evening. Kate wasn't keen, so Phil said Tom could take her picture if he could shag me up the arse.

So I knelt over Phil's face, sucking his cock while he licked and stretched my arse with his fingers, lubricating with the cunt juice that was running out of me. He then turned me over so he could take me from behind and fucked me hard for ages.

Then he lay on his back and I straddled him, jumping up and down on his cock till he squirted right up me.

I'm beginning to be addicted to fanny juice!

Chloe, Cornwall.
